Host it on Ropsten Network with Test

## FAQs

---

### **Q. How to submit the Project?**

1. Create a Github public repo and name it LetsUpgrade Blockchain
2. Upload the files/solution in the repo in a day-wise manner.
3. Copy the URL of the Folder of that day and paste in the Assignment Submission Form (Google Form)
4. Make sure you are filling correct details in the Assignment Submission Form.

### **Q. Which format do I submit the Project?**

- A. You need to submit the project in .sol format.  
If you can't download that format copy the whole program and paste it somewhere in your local and upload it.

### **Q. Where do I get class links for the next session?**

- A. All sessions will be Live on Youtube on Saturday and Sunday at 11:00 AM, Subscribe to LetsUpgrade [YouTube Channel](#).

### **Q. I have some doubt, who do I ask?**

- A. (a) Post your Queries on the community, someone will help you out.  
(b) We have a discussion group which you can access by Joining LetsUpgrade Telegram Channel (@letsupgrade\_in).

### **Q. Can we submit multiple assignment solution files for each question separately?**

- A. You can zip all the files together and submit them. Make sure you are submitting a single file.

**Q. How can we know if my assignment is verified or not? And is it successfully submitted or not?**

A. You will receive a mail for your successful submission. You will get a mail like this:

The screenshot shows an email interface with the subject "LetsUpgrade FCS - Assignment Submission". The email is from "Google Forms" and contains a confirmation message. The message text is as follows:

Thanks for filling out [LetsUpgrade FCS - Assignment Submission](#)  
Here's what we got from you:
